

Whiddon

Yamba
Retirement Village

Award-winning care that connects, inspires and enriches lives every day.

Award-winning
care that connects,
inspires and enriches
lives every day.

Whiddon is passionate about enriching lives and keeping older people connected to what matters to them in life. We aim to really understand each person through building deep relationships with them, their family and their community.

This partnership enables us to care for all their needs – social, emotional and physical – so that they can continue to learn, live, love and enjoy every day.

A lifestyle you'll love

Enjoy your retirement in a supportive environment where everything you need is on your doorstep.

Our peaceful village is in a coastal retirement haven in Northern NSW, well known for its welcoming community, beautiful beaches and relaxing lifestyle.

Public transport, local shops, health services and an array of cafes are all within walking distance.

Whiddon Yamba offers beautifully landscaped gardens and outdoor areas for you to relax in. Our village has 16 self-contained one and two-bedroom units, each with a modern kitchen and bathroom, private courtyard and internal laundry.

We take care of the maintenance services, including gardening, property repairs and rubbish removal, leaving you more time to enjoy your retirement. Every home in our village has an emergency call system installed, to give you and your loved ones peace of mind.

Whiddon's Community Care Services can help you live the life you want

At Whiddon, our aim is to support you to live independently and safely at home and stay connected to friends, family and your community.

At Whiddon Yamba, you have the added support of close proximity to our Maclean residential care home, and access to our Community Care services if you ever need them.

Our Community Care services can help you to focus on the things that matter most to you.

We can provide help around the home, assist with preparing meals or shopping for groceries, provide care to get you back on your feet after a stay in hospital, help you get to medical appointments or visit your favourite places around town, so you can continue to do the things you love.

Our qualified and experienced carers work closely with you and your family to create a care plan that's tailored to you.

“
Live the life
you want and
we'll take care
of the rest

”

Enjoy your retirement at Whiddon Yamba

Community Care

Delivering award-winning care services to generations of older Australians across NSW and QLD for 70 years.

Whiddon is an award-winning care provider with a proud history of more than 70 years of supporting older people across New South Wales and Queensland. From our philanthropic beginnings, we have grown into a not-for-profit provider caring for over 2300 people.

We offer the highest quality of care that is tailored to the individual. We partner with our clients, families and communities to care for all their needs – physical, health, social and emotional.

The quality of our people and the relationships and trust that they build with our clients and their families is key to this approach.

Our strong presence in regional, rural and remote New South Wales and Queensland sets us at the heart of our local communities, both as an employer and aged care provider. We actively promote and maintain a proud sense of community – wherever we are, everyone matters.
